

In Memory of Bob Myron

1941-2017

The Butler County Mental Health and Addiction Recovery Services Board wishes to recognize a previous Butler County Mental Health Board President (2009-2010), Bob Myron, who passed away on July 19, 2017. He served as a BCMHB member for 4 years (2006-2010) prior to the creation of the BCMHARSB through the merger of the BCMHB and Butler County Alcohol and Drug Addiction Services Board on July 1, 2015. We remember, among other things, Bob's business knowledge, sense of humor, Board management skills and his continued commitment to address mental health issues in our local community and at the state level. Bob has left a lasting impression on the BCMHARSB, its members and staff. His memory will remain in our hearts and minds!
